

Expectations For Grade 6/7 Athletes

It is a privilege for us as a school to have volunteer coaches who sacrifice time and talents. We honour their commitment by adhering to the following player guidelines. Please carefully consider the expectations/time commitment needed before committing to a sports team.

Expectations:

1. Make myself aware of practice and game times. If I know in advance that I am unable to attend, I will notify my coach, the athletic director, or both.
2. I will work towards attending all practices, and competitions faithfully.
3. I will strive to be on time for practices, and competitions. If I need to leave early, I will notify my coach in advance.
4. I will consistently complete all of my homework.
5. I will not use inappropriate language both during athletics and school attendance.
6. I will always strive to demonstrate self-control and respect to coaches, teammates, officials, spectators, and opponents.
7. I will show up for practices and games in the appropriate attire.
